

LafargeHolcim to divest Sichuan Shuangma

LafargeHolcim announces it has signed a framework agreement with Tianjin Circle Enterprise Management Center (Limited Partnership) ("Tianjin Circle") for the sale of a controlling stake (55.93 percent) in Sichuan Shuangma Cement Co. Ltd ("Shuangma") to Tianjin Circle or its designated party for a purchase price consideration of 8.08 CNY per share, or at an aggregate consideration of 507 million CHF¹, subject to the following conditions precedent, aside from the customary regulatory approvals: (a) approval of the Shareholders Meeting of Shuangma on the cancellation of the non-compete undertakings made by Lafarge Cement China Limited and/or its affiliates to Shuangma (the "Shareholder Approval"); (b) completion of a mandatory general offer for the shares of the minorities of Shuangma due to the change of controlling shareholder. The definitive agreements in relation to this acquisition are expected to be entered into upon the completion of the Shareholder Approval and the acquisition is expected to be completed in the fourth quarter of 2016.

Subject to the compliance of applicable laws and regulations, LafargeHolcim has an option to sell to Tianjin Circle, and Tianjin Circle has an option to purchase from LafargeHolcim, its remaining stake in Shuangma through the transfer of 100% share capital in Lafarge China Offshore Holding Company (LCOHC) Ltd. which holds such remaining stake, within the agreed period in 2018 for the same purchase price consideration, or at an aggregate consideration of 159 million CHF.

At the same time, the parties also agreed to enter into an option agreement for LafargeHolcim's purchase of the Shuangma Cement Assets from Shuangma, within certain period after the completion of the aforesaid acquisition, at net asset value or appraised value at the time of the purchase².

On this basis, the expected immediate impact on LafargeHolcim net debt of these agreements would have been a reduction of 121 million CHF.

Sichuan Shuangma is listed on the Shenzhen Stock Exchange (SZSE) and operates four integrated plants with an annual cement capacity of 11 million tonnes and has a leading position in the Sichuan market.
